“ PAYING IT FORWARD ”

To whom it may concern,

It's that time of year again! We are ramping up for our annual golf tournament. We are excited to invite you to our 6th annual tournament which will be held Friday May 24th at the Cherry Island Golf Course. Last year it was a sold-out event! As a result, we cannot hold any spots and will only sign up paid teams. Take advantage of the “early bird” registration fee. Details are included on the attached forms. Don't miss out on this annual fiesta on the green!!

As in the past, this tournament is a fundraiser event. We have been raising money for students enrolled in the College Assistance Migrant Program (CAMP) at the Sacramento State University. Our goal is to reach out to other Sacramento State students that come from similar backgrounds as ourselves and inspire them to follow their dreams.

As CSUS alumni's, and former CAMP students ourselves, we hold this program dear to our hearts. This is a great educational program that offers guidance and support services to students from migrant and seasonal farm worker backgrounds. The program not only helps incoming students with the University application process but also helps facilitate the transition from high school to college. CAMP is dedicated and committed to helping students succeed at California State University, Sacramento. This program is a great resource for migrant students who otherwise wouldn't know where to begin or how to apply to the University. CAMP provides individual and group counseling, connects students to other support programs on campus, as well as provides a close-knit friendly atmosphere for students to feel safe.

We are respectfully requesting in-kind donations to support this fundraising event. Your support would be greatly appreciated and would go a long way in supporting students to pursue their goals and continue their education.

You can read more about CAMP at: <http://www.csus.edu/camp/index.html>

We hope to hear from you soon.

Thank you for your time and consideration,

Keepin' It Paisa Team
